

2024 TPFCS Memorial Ride to Ottawa

The Toronto Professional Firefighters Celtic Society (TPFFCS) will once again be embarking on a three-day cycling ride from Hamilton to Ottawa in support of the Canadian Fallen Firefighters Foundation. The 2024 ride will take place on September 4th, 5th and 6th, 2024 with the 2024 Memorial taking place on September 8th at the Memorial site in Ottawa.

The Memorial Ride to Ottawa is now the largest fundraiser for the CFFF and has raised over \$360,000.00. 2024 will be the 8th annual ride and we are confident we will build on and exceed last year's achievements. The ride is open to active, retired and volunteer firefighters.

The Canadian Fallen Firefighters Foundation (CFFF) was created to **HONOUR** and **REMEMBER** Canadian firefighters who have been killed in the line of duty and to **SUPPORT** their families. The CFFF is a registered charity No: 88214 6509 RR0001 which operates by fundraising.
